

## 1 Imprint and Privacy Policy

### 1.1 Imprint

#### 1.1.1 Disclaimer of liability

The author reserves the right not to be responsible for the topicality, correctness, completeness, reliability or quality of the information provided.

Liability claims against the author for material or immaterial damage resulting from access to or use or non-use of the published information, misuse of the connection or technical faults are excluded.

All offers are non-binding. The author expressly reserves the right to change, supplement or delete parts of the pages or the entire offer without separate announcement or to cease publication temporarily or permanently.

#### 1.1.2 Liability for links

References and links to third party websites are outside our area of responsibility. No responsibility is accepted for such websites. Access to and use of such websites is at the user's own risk.

#### 1.1.3 Copyrights

The copyright and all other rights to content, images, photos or other files on the website belong exclusively to the operator of this website or the specifically named right holders. Reproduction of any elements of this website requires the prior written consent of the copyright holders.

### 1.2 Privacy Policy

#### 1.2.1 Data privacy

Our company takes the protection of your personal data very seriously and makes every effort to ensure maximum security when handling it.

Based on Article 13 of the Swiss Federal Constitution and the data protection provisions of the Swiss Confederation (Data Protection Act, DPA), every person has a right to protect his or her privacy and for protection against misuse of his or her personal data. We comply with these provisions. Personal data will be treated strictly confidential and will neither be sold nor passed on to third parties.

#### 1.2.2 Use of personal data

Personal data is only collected by us if and to the extent that you provide it to us with your own knowledge. This personal data will only be used to inform you about our products and services by e-mail or post if you expressly give us your consent. You have a right for information and correction of your personal data at any time. **You also have a right to delete your personal data, unless the processing of personal data is required to fulfil an obligation under Swiss or EU law. Furthermore, you can make use of your right of objection at any time without stating reasons and change or completely revoke declarations of consent with effect for the future.**

If you wish to exercise your rights regarding your personal data or have questions or concerns regarding the processing of your personal data, you can contact us as follows:

MTE Meter Test Equipment AG

We will endeavor to answer your questions or concerns immediately upon receipt.

## 1.2.3 SSL encoding

MTE has taken technical and organizational security measures to protect your data against manipulation, loss, destruction and access by unauthorized persons.

These measures are continuously updated and improved in line with technological developments. Your personal data is transmitted from your computer to our servers and vice versa in encrypted form via the Internet. The actual level of encryption may depend on your computer. Please use the latest browser versions so that you can encrypt your data as well.

This site uses SSL encryption for security reasons and to protect the transmission of data that you send to us as the site operator. You can recognize an encrypted connection by the fact that the address line of the browser changes from "http://" to "https://" and by the lock symbol in your browser line. If SSL encryption is activated, the data you transmit to us cannot be read by third parties.

## 1.2.4 Cookies

The cookies used by this website are so-called "session cookies". Session cookies are deleted after the end of your visit. We use these cookies only to make your visit to this site more pleasant. No personal information about you will be stored. You can prevent the use of cookies by adjusting your browser software accordingly.
